

# JEKYLL CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

---

## Abstract

JEKYLL is MAGIC made visible. DESIGN is the language. JEKYLL is the compiler.

---

**hadleylab.org** Governed Research. Every claim cited.

Contents

No decoration. No divergence. Every pixel maps to a governed primitive.

## Constraints

- MUST: Derive visuals from governed primitives (no a
- MUST: Keep design language in GOV; runtime renders
- MUST: Card icons render inline preceding the card
- MUST: Hero demo cycles all governed TALK products
- MUST NOT: Introduce visual rules outside governed cont
