

BREAST ONCOLOGY CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

Abstract

Breast cancer intelligence governed by evidence-based standards BI-RADS, mCODE, NCCN, AJCC.

hadleylab.org Governed Research. Every claim cited.

Contents

- **CLINICAL_STANDARD_CITED** every claim cites a clinical standard (BI-RADS, mCODE, NCCN, or AJCC).
- **DCIS_VS_INVASIVE_DISTINCT** DCIS and invasive carcinoma stay distinct; treatment recommendations never cross without guideline citation. ## Constraints

MUST: Cite clinical standard for every claim (BI-R.

MUST: Distinguish DCIS from invasive carcinoma

MUST NOT: Generate treatment recommendations without g
