

CITATION CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

Abstract

CITATION is the evidence spine. every claim resolves to a source, every source carries freshness, every surface resolves through CITATION.

hadleylab.org Governed Research. Every claim cited.

Contents

- **CLAIM_RESOLVES_TO_SOURCE** every claim resolves to a governed source; unresolved citation codes are never published.
- **SOURCE_CARRIES_FRESHNESS** sources carry freshness timestamps; stale evidence is flagged, not silently served.
- **BIBLIOGRAPHY_IS_SPINE** the bibliography is the single authored spine; the registry is compiled, not hand-maintained.
- **SURFACE_RESOLUTION_UNIFORM** citation codes resolve on every surface (WEB, TEX, PDF) with the same identifier. ## Constraints

MUST: Every claim resolves to a governed source
MUST: Sources carry freshness timestamps
MUST: Bibliography is the single authored spine r
MUST: Citation codes resolve on every surface (WEB
MUST NOT: Publish unresolved citation codes
MUST NOT: Use archives delete to git
