Contents

- **DEAL_IS_LEDGERED** every stage transition is ledgered; the deal history is an append-only audit trail.
- **STAGE_GATED_BY_EVIDENCE** stage transitions (QUALIFY NEGOTIATE CLOSE) require evidence; no advance without proof.
- **PARTIES_CROSS_REFERENCED** deal parties cross-reference into CONTACTS so every participant resolves to a governed identity. ## Constraints

MUST: Ledger every deal stage transition

MUST: Evidence every stage

MUST: Gate stage transitions (QUALIFY NEGOTIATE CLOSE)

MUST: Cross-reference deal parties to CONTACTS

MUST NOT: Advance deal stage without evidence

MUST NOT: Expose deal terms on public surfaces
