

DEMO CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

Abstract

DEMO is the governed product-demonstration lane every demo a reproducible walkthrough captured as evidence and compiled into a shareable artifact.

hadleylab.org Governed Research. Every claim cited.

Contents

- **DEMO_IS_EVIDENCE** every demo is captured as governed evidence; the walkthrough IS the artifact, not a supporting doc.
- **REPRODUCIBLE_FROM_GOV** every demo is reproducible from governed inputs and compiled through the MAGIC pipeline.
- **NO_UNGOVERNED_DEMO** hand-authored compiled outputs are not allowed and un-governed features do not ship into demos. ## Constraints

MUST: Capture demo as governed evidence

MUST: Compile through MAGIC pipeline

MUST: Reproducible from governed inputs

MUST NOT: Hand-author compiled outputs

MUST NOT: Demo ungoverned features
