Abstract

STORY is the visual storytelling lane every screenplay a governed artifact, compiled through MAGIC, deterministic and drift-gated.

hadleylab.org Governed Research. Every claim cited.

Contents

- **SCREENPLAY_IS_GOVERNED** every screenplay compiles through the MAGIC pipeline; hand-authored compiled outputs are not allowed.
- **COMPILE_IS_DETERMINISTIC** the same inputs produce the same output; drift-gating ensures invalid content cannot compile.
- **PRIVATE_STAYS_PRIVATE** private content is never published on the public surface; the governed frontend serves approved artifacts only. ## Constraints

MUST: Compile through MAGIC pipeline

MUST: Deterministic output from same inputs

MUST: Drift-gate invalid content cannot compile

MUST NOT: Hand-author compiled outputs

MUST NOT: Publish private content on public surface
