

CREDENTIALING CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

hadleylab.org Governed Research. Every claim cited.

Contents

All credentials **MUST** be verified from primary sources. Self-attestation is insufficient.

Primary Sources:

- Medical license: State medical board
- DEA: DEA CSOS
- NPI: NPES registry
- Board certification: ABMS/AOA
- Education: Medical school, residency
- Malpractice: NPDB, state records

2. Continuous Monitoring

Credentials **MUST** be monitored continuously, not just at enrollment.

Monitoring frequency:

- License status: Monthly
- Sanctions: Monthly (OIG, SAM, state)
- Board actions: Monthly
- Malpractice claims: Quarterly

3. Jurisdictional Compliance

Provider privileges **MUST** match jurisdictional requirements.

Requirements by jurisdiction:

- State: Medical license, controlled substance
- Federal: DEA, Medicare enrollment
- Payer: Network participation
- Facility: Medical staff privileges

4. Expiration Management

All time-bound credentials **MUST** be tracked with renewal workflows.

Tracked expirations:

- Medical license (1-3 years)
- DEA registration (3 years)
- Board certification (10 years)
- CME requirements (per state)
- Malpractice insurance (annual)
